## Principal's Message

It looks like April is behind us, and we are ready for a fun filled, warm May!

This month we look forward to Track and Field, 3 Pitch Tournament, Jump Rope for Heart and our WEB Fun Fair!

On behalf of Mrs. Tye, I would like to take this opportunity to thank all of the parents who have worked hard to support student learning this year. Many volunteers have been active both in the classrooms and at extracurricular events, ensuring that our students have a variety of engaging learning opportunities. Some of our volunteers have contributed countless hours in Breakfast/Snack programs, our fund-raising events, providing much-needed funds to reduce the costs of trips. We thank you all for your continued support!

## School Advisory Council

Grade 8 graduation will be held on Tuesday, June 25, 2019. We are looking for volunteers to help with preparations for this great event!

## Fight the bite!

Ticks, mosquitos and rabid animals have no boundaries and can be a risk to you and your family when walking to and from school or work, waiting at the bus stop, family trips, and while playing in the yard at home or at the park.

### Protect yourself and your family from West Nile Virus:

Reduce standing water where mosquitoes breed; Cover up, wear long sleeved shirts, long pants, hats socks and shoes; Repair any damaged window screens; Use insect repellants containing DEET or Icardin (follow manufacturer's instructions)

### Reduce the risk of Lyme disease:

Wear light coloured clothing to help spot ticks; Use insect repellants containing DEET or Icardin (follow manufacturer's instructions) ; Check yourself, your children and pets for ticks after being outdoors; Cut your grass and dispose of leaf litter where ticks can live

### Prevent rabies:

Vaccinate your pets; Do not feed or approach any wild, stray or strange animals

Do not trap, transport, keep or pet any wild animals; Do not try and nurse sick animals back to health; Presently, all of these diseases exist in Niagara.
