Principal's Message

This month ended with the lots of rain days. Despite the rainy days, October has been filled with many rich, learning activities for our students. In math we continue to deepen our understanding of spatial reasoning in both geometry and measurement units.

WEB students have represented the school at Cross Country meets at the regional and board level, the Intermediate Volleyball teams are in mid-season and the Juniors teams are ready to start their seasons. I am very proud to be a part of such an amazing group of students, staff and WEB families.

Looking ahead to

News from our School Advisory Council

Thank you to all who made it to our October meeting. Meet our Executive for 2018-2019 year that was voted on at this month's meeting. Marlena Morris & Lesley Stratford will Co-chair, Karen Lachapelle as Treasurer and Tanya Rioux as Secretary. Thank you all for your continued support of the WEB community.

This time of year is a busy one for fundraising opportunities as Little Caesars,

November, we will be working on the character trait **Integrity**, and staff and students will be getting ready for our Remembrance Day Ceremony on Friday, November 9th in our gymnasium. Our Parent Advisory Council has also started planning our annual Christmas dinner, Friday, December 21. We are searching for a commercial kitchen that can cook our turkeys.

Let us be your Holiday One Stop Shop. Between now and early December we will be offering three different fundraisers: Little Caesars, Poinsettias and Fundscrips (Gift Card Fundraiser). Check the calendar for details.

Fundscrips and Poinsettias forms come home. We are also offering spirit wear this year. Please know these are all just suggestions that we have found helpful with the holiday season.

Thanks to all who order Fresh from the Farm, we know it was a quick turn around this year. This year we raised \$668.00. The delivery date is November, 7 between 3:30pm and 6:30pm.

The WEB playground is completed, unfortunately the rain and weather is keeping us off of our beautiful new equipment. The fence is around the structure to keep kids off the newly seeded grass. We are waiting for a dry, seasonal day to start playing. Students will learn how to use the equipment in their physical educational classes. We also have two buddy benches for our students to use. The buddy bench is a simple idea to eliminate loneliness and foster friendship on the playground. At WEB we will continue to spread the message of inclusion and kindness!

This year is off to a great start and we hope that more of you will be able to join us in the coming months. The more volunteers and involvement by parents and guardians the better the experience for the kids.

Cupcake Fundraiser! Organized by the Grade 7/8s

Dear Parents,

The grade $\frac{7}{8}$ students are running a cupcake sale to fundraise for their Quebec trip in February and for Grade 8 Graduation. It would really help them out if each student was able to bring in 1-2 dozen cupcakes to sell on the dates below. Cupcakes will be sold for \$1.00 at our second nutrition break. They can be homemade or store bought. If you are able to, please bring the cupcakes to school on the morning of your scheduled date. The Grade 7/8s really appreciate as many cupcakes as possible—thank you in advance for helping us raise some money to go to Quebec.

Sincerely, The Cupcake Committee

News from the William E. Brown Learning Commons (Library)

The school library (learning commons) is the place to be at William E. Brown. Students have been enjoying the many book selections that are available to them and are eager to find new and exciting reading materials that are of interest to them. Soon the Forest of Reading books will be arriving.

If you wish to access our Destiny Library manager and your Destiny account from home log onto: <http://destiny.dsbm.org> and select William E. Brown from the list of schools and log into Destiny with your username and password. You can search our school library and even put holds on books you wish to read.

Skating Trips

To keep with out WEB tradition, all students from KG to Grade 8 will be given the opportunity to skate at the Wainfleet Arena.

Over the course of the winter, we will go three times (January, February and March). Health and Safety regulations require students to wear a current CSA approved helmet. Only students with approved CSA helmets will be allowed on the ice. Our goal is 100% participation, so if you would like assistance outfitting your child (ren) or if you can donate helmets or skates please contact the office.

Lock Down

Dear William E. Brown Parent/Guardian:

On Thursday, November 15, from approximately 12:45pm to 1:00pm, William E. Brown school will be participating in a safety drill that is meant to further enhance the protection of our students and staff. This process is called a lockdown.

The purpose of the lockdown drill is to practice safely securing students and staff within the school in the event of a potentially dangerous incident surrounding the school or within the school itself.

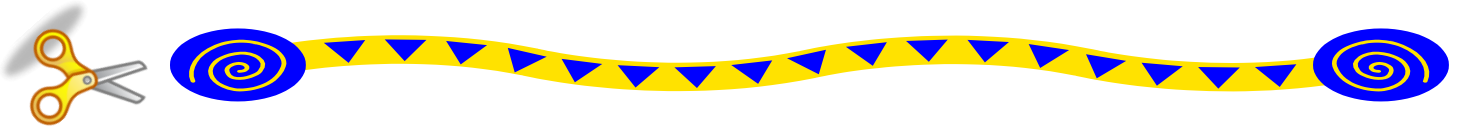

In this drill, classroom doors are locked and students must remain in the classroom, behind locked doors. Students are not allowed outside the room for any reason. If you, a parent/guardian arrive at the school with a lockdown is in effect, you will not be allowed in or near the school until the activity has ended.

While we sincerely wish that no event causes us to enact these precautions, we feel that practicing these procedures, just as we practice fire drill, prepares our students and staff to react appropriately in case of emergency, making our school safer for students and staff.

If you have any questions about this safety drill, I invite you to contact me by calling, 905 899 3471

Sincerely,

Mrs. Leigh Ann Sauer, Principal
