Welcome Back!

Welcome back to an exciting year at William E. Brown! We hope you found your summer fun-filled and relaxing. We have every expectation that this 104th year at William E. Brown will be another great year to support student learning and achievement.

We would like to welcome new staff to WEB year: Ms. Schwab, Mr. Cote, Mr. Hillhouse and Mr. Premi. We have already been busy with Breakfast Club starting five days this week. Fall Fair preparations and Cross Country running practices are to come.

Please join us at our Open House on Thursday, September 21st and at our School Advisory Council Meeting on Wednesday, September 27th.

We would like to send a big thank you to the Kadwell and Newhouse families. Both families had lemonade stands over the past couple of weekends to support the playground fund!. The Wainfleet BIC also donated to the WEB playground fund too! This summer with their help we raised more than \$2000.00 towards our new playground! Thank you families and the community for your donations.

Looking forward to another awesome year!

Mrs. L. Sauer, Principal

Student Safety

Just a quick reminder that parents or guardians waiting to pick up students are welcome to wait in our front lobby.

We do ask that you do not go into other parts of the school without checking in at the office first. Hallways become congested and classes can be distracted from their end of day routine if we have extra people in the halls. If

you do want to visit the class, check a child's locker, etc. please wait until after the 3:25 dismissal to enter those areas.

Free Dental Screening Coming to Your School

A Public Health registered dental hygienist is scheduled to visit your school Sept. 28, 2017 to provide dental screening to students in ELKP, grades 2, 4, 6 and 8 as required under the Health Protection and Promotion Act.

During this time the registered dental hygienist will perform a quick visual inspection of each child's teeth to determine his/her dental needs. Parents will be contacted if their child requires immediate dental care.

The Healthy Smiles Ontario program may financially assist children who do not have access to required dental care.

Please contact the Public Health dental program if:

You wish to exclude your child from dental screening

Your child is not in one of the targeted grades and you would like him/her to participate

In addition to dental

screening, ELKP students have an opportunity to receive an optional free fluoride varnish application if they have returned a signed consent form.

Call the Dental Health Line at 905-688-8248 or 1-888-505-6074 ext. 7399 or email den-
