**Welcome Back!**

Welcome back to an exciting year at William E. Brown! We hope you found your summer fun-filled and relaxing. We have every expectation that this 105th year at William E. Brown will be another great year to support student learning and achievement.

We would like to welcome new staff to WEB year: Mrs. Fricke, Mrs. Koudijs, and Mr. Hiller. We have already been busy with Breakfast Club starting five days this week. Fall Fair preparations and Cross Country running practices are to come.

Please join us at our Open House on Thursday, September 20th and at our School Advisory Council Meeting on Wednesday, September 26th at 6:00pm

We would like to send a big thank you to the WEB community for their continuous support and involvement with our playground fundraising. The initial playground install date was August 30, however given the current Canada/US trade agreements and a fire that devastated a Plastic Factory our new installation date is set for September 12. It will be very exciting for our students to watch our new playground being built!

Looking forward to another awesome year!

**Student Safety**

Just a quick reminder that parents or guardians must drop off students in the front lobby in the morning and also wait at dismissal to pick up students.

We do ask that you do not go into other parts of the school without checking in at the office first. Hallways become congested and classes can be distracted from their end of day routine if we

have extra people in the halls. If you do want to visit the class, check a child's locker, etc. please wait until after the 3:25 dismissal to enter those areas.

## I Matter.

At the DSBN, we strive to show all students how they matter: as individuals, as learners and as community members. Our students learn about the ideals of good citizenship and how they can become active participants in building a stronger community, locally and globally. We invite you to discover more about I Matter from the website below.

## Free Dental Screening Coming to Your School

### Free Dental Screening Coming to Your School

A Public Health registered dental hygienist is scheduled to visit your school Tues., Oct. 9, 2018 to provide dental screening to students in ELKP, grades 2, 4, 6, 7 and 8 as required under the Health Protection and Promotion Act.

During this time the registered dental hygienist will perform a quick visual inspection of each child's teeth to determine his/her dental needs. Parents will be contacted if their child

requires immediate dental care. The Healthy Smiles Ontario program may financially assist children who do not have access to required dental care.

Please contact the Public Health dental program if:

You wish to exclude your child from dental screening

Your child is not in one of the targeted grades and you would like him/her to participate

In addition to dental screening, ELKP students have an opportunity to

receive an optional free fluoride varnish application if they have returned a signed consent form.

Call the Dental Health Line at 905-688-8248 or 1-888-505-6074 ext. 7399 or email [dental@niagararegion.ca](mailto:dental@niagararegion.ca).
