CHV2O/GLC2O	Civic and Careers – online only	10	Open
CHV2O/GLC2O	Civic and Careers, French - online only	10	Open

Pizza Days: May

The Pizza Days for May will be **Friday, May 12th and Friday, May 26th. The last day for purchase will be Monday, May 8th.**

Pizza is \$1.25 per slice and we will offer Cheese or Cheese and Pepperoni, and will be available for purchase on **School Cash on Line.**

Please be aware that the due date will normally be the Monday before the first pizza day of the month.

*In order for your child to get pizza for the month, it is important to meet this deadline.

Unfortunately we won't be able to accept cash orders.

*Please ensure your child will be in attendance on these days as no refunds will be issued, nor will the pizza be saved for the students return. Thank you for your support!

Track and Field School Meet

Our School Meet is scheduled for Tuesday, May 9th. Spectators are welcome to attend- please note not all events will be conducted on this date.

WEB Cares Club- Food Drive

The web cares club went to the Open Arms Mission warehouse last week to help in the garden. While we were there, we found out that the food shelves are empty. We would like to help by collecting donations of crackers, granola bars and cookies, because a lot of families use these items to put in their children's lunches. The class that collects the most food items will have their names put in a draw to throw a pie at Mr. Howell and Mr. Premi! Please consider donating to help the people in Welland and our community who are in need. **This food drive begins Monday, April 24th and will run until Friday, May 12th.**

Tendercuts Fundraiser

See the flyer in School Cash on Line or our website. This fundraiser **continues and runs through Thursday, May 4th. (2 day extension)** The delivery date is Thursday, May 11th with pick up to be arranged between 1pm and 4pm. Remember there is not enough refrigeration at the school to store the products. Proceeds from this are supporting this year's Fun Fair and re-building the School Council General Account.

Save the Dates-

Please mark the following two dates in your calendars later this year. **The WEB Track and Field day is set for Tuesday, May 9th.**

Our Fun Fair date is set for Thursday, June 8th. There will be complimentary Face painting, Inflatables, Wainfleet Fire will be here and there will be other various games. Pizza and Water will be on sale

@ WEB that evening for \$1 each. We will also be holding a 50/50 draw to support our Breakfast Program as funding is very tight as we support year end.

Grade 8 Graduation is set for Monday June 26th.

Talent Show Auditions

We are very excited to announce that in May we will be having a talent show! This will take place on Wednesday, May 17th.

Volunteer Driver Process

Now that we are back to pre-Pandemic Extra-Curricular activities, we have required the use of Volunteer Drivers. We would like to thank all those that have volunteered so far this year. If you have already filled out the **Volunteer Driver Acknowledgement - thank you. For those that have already done so or those who will be driving other students, our policy requires us to verify Driver's License and Insurance. This can be done in two ways: bring your information by the office for Mr. Howell to sign off on or you can scan and email them to the school if you wish. If there are any questions about this please call the office.**

Pictures and Other School Information

Be sure to follow us on our Twitter Account **@BadgersWEB**. There are pictures of recent happenings posted there.

School Council Messages- Breakfast Club - Niagara Nutrition Partners & UPDATE

Along with Niagara Nutrition Partners, **we offer a daily Breakfast Club for WEB students** (offered at 2nd Nutrition Break - most days) which allows students to access healthy snacks. Some examples of snacks we provide are granola bars, yogurt tubes, cheesestrings, cereal, muffins, applesauce, bagels and cream cheese, etc. **Volunteers are currently being sought out for Breakfast Club. A hot Breakfast of some sort will be provided on Mondays, Tuesdays and Wednesdays as of right now. Students should still have a lunch packed on these days but Breakfast will be "more prepared" on Mondays, Tuesdays and Wednesdays. Additional "hot breakfast days" will increase as our volunteers increase. All students may access this supplemental program.**

We are currently seeking donations from WEB families to be able to keep this valuable service running for our students. We are able to accept donations of nut-free granola bars, fruit cups, and applesauce cups, or if you prefer to make a monetary donation, you can do so using School Cash Online. There are options for a \$5, \$10, or \$20 donation.

Yearbook - Photo requests

Mrs. Gooderham has begun collecting photos and items for this year's yearbook. Staff have begun to assist with this. If you have attended or will attend school sporting events or field trips and have photos please consider emailing them to amy.gooderham@dsbn.org Thanks in advance!

This year our yearbook will include photos of spirit days, special activities, clubs, sports teams, class photos and a grad section. Students will enjoy this special book of school memories. The cost for JK-Gr. 7 students is \$10.00. Grade 8 students will receive a complimentary copy and do not need to place an order. The yearbook will be handed out during the last week of school. Orders are due by April 28.

DSBN Parent Involvement Committee

The final Event in the 2022-23 Virtual Speaker Series, taking place on [Wednesday, May 10th @ 6:00pm](#). Dr. [Shahana Alibhai](#), distinguished family physician and mental health expert, will be discussing [Emotional Literacy for Better Mental Health](#).

Dr. Shahana Alibhai is a lead physician at one of British Columbia's largest youth health centers, where she has dedicated her career to assisting individuals struggling with their mental health. In this session, Dr. Alibhai will explore the concept of emotional literacy and how this knowledge can lead to understanding connection and hope.

To register for this session, please use the following link: <http://www.dsb.org/pic/speakerseries.html>

DSBN PARENT INVOLVEMENT COMMITTEE
VIRTUAL SPEAKER SERIES

EMOTIONAL LITERACY FOR BETTER MENTAL HEALTH

WITH DR. SHAHANA ALIBHAI

Thursday, May 4th- DSBN District Badminton @ Brock (Gr. 8s);

Thursday, May 4th- Dance 'n Culture Workshops in Gym (Gr. 6/7 & 8 classes) @1:50pm;

Friday, May 5th- "Have that Talk" series (Gr. 7s Period #1; Gr. 8s Period #2)

Tuesday, May 9th- WEB School Track Meet;

Tuesday, May 23rd to Friday, June 2nd- Gr. 3 Primary EQAO

Tuesday, May 30th to Thursday, June 8th- Gr. 6 Junior EQAO

Municipal Banner Program (Spring/Summer) Call For Submissions

Applicant Name: _____ Phone: _____
Applicant Address: _____ E-mail: _____
If Child Under Age
of 18: Parent/
Guardian Name: _____ Phone: _____

Purpose of this Call for Submissions: The Township of Wainfleet is seeking submissions of a digital art design by local residents to create a Municipal Banner concept to be implemented as part of the Spring/Summer Municipal Banner Program.

Eligibility to Participate in this Call for Submissions: This is an open call to all local Wainfleet residents regardless of age. The submission must follow the attached guidelines for a high-quality digital art file with high resolution to meet printing needs.

Please note: there is no monetary compensation for the artist of the selected design. Council will award through public recognition at one of their regularly scheduled Council Meetings in the future.

Submission Checklist:

- Completed application information above.
- Completed release/waiver below and signed by a parent or guardian if under 18 years of age.
- Completed Digital Art File Submission Attached.

Please submit completed applications by e-mail no later than 4:00pm on Friday May 26, 2023 to:

Attention: Lindsay Earl, Manager of Community & Development Services

RELEASE/WAIVER

I, _____

(First, Last Name PLEASE PRINT)

Consent to participating in the Township of Wainfleet's Municipal Banner Program call for submissions.

I grant permission to the Township of Wainfleet and its employees, to take and use the visual digital images of the above named person. Visual digital images are any type of photographs, digital images, drawings, renderings or accompanying written descriptions. The Township of Wainfleet may (as needed) alter the original images in the event the image(s) is chosen for use in and in promotion of the Municipal Banner Program, on the Township's website, Facebook page and in print.

I release the Township of Wainfleet and its employees, including any company authorized to publish and/or distribute a finished product containing the images, from any claims, damages or liability which I may ever have in connection with the taking of and use of the images or printed material used with the images. I recognize that this is a free submission and no monetary compensation will be provided by the Township.

I am at least 18 years of age and competent to sign this release/waiver. I have read this release/waiver before signing. I understand its content, and I freely accept the terms.

NLD ART SETUP GUIDELINES

Acceptable Software Programs: Adobe® Creative Cloud's Illustrator, Photoshop, and InDesign.
Note: Any QuarkXpress®, Corel Draw® Word®, etc. files must be exported as a press quality .PDF for print.

Formats like Microsoft Document (DOCX), PowerPoint (PPTX), Publisher (PUB) are not optimized for a printing press. And formats like .PNG and .JPG are static images that, if designed correctly, can be printed, but leave the printer with no ability to edit. The most important thing to remember is that it's possible for all of these file formats to be saved, exported or converted to a .PDF for print-ready files.

Vector Graphics vs. Raster Images

Vector Graphics: Vector (line art) can graphic elements made up of points and lines that remain smooth, no matter how large or small the art is scaled. Vector art (.AI, EPS, or PDF) allows you to increase or decrease the size of the graphic without compromising the integrity of the original image. Vector art is a layered, editable file that can be changed in color and size resulting in crisp, clean, and readable artwork, no matter the scale. Since vector artwork is highly scalable, there are no real limitations when it comes to size. A vector logo can be small enough to fit on a button or scaled to fit a billboard without losing any quality. Always remember to convert your fonts to outlines before sending your artwork.

Raster Images: Raster images are a series of pixels per inch (PPI) or dots per inch (DPI) that form an image when compiled. Raster images are used for non-line art, primarily photographs. Since there is a finite number of pixels in a raster image, the scaling of the image can result in loss of quality. High-quality raster images are sized larger in file size. The more pixels or dots in one raster image, the higher the quality (at the larger the file size). Raster images are non-scalable, so if you need to resize your image larger than the original, the result will be a low-quality image with fuzzy, low resolution.

A Vector .PDF file format is always preferred.
A .PDF is the best format for print-ready files because of its universal accessibility—any printer has the ability to edit a .PDF if necessary.

Most applications use the information in your file and information stored on your computer (fonts, images, color settings) to print. However, when you print, that file is sent to a print device. It doesn't bring all that information on your computer with it. This is why a .PDF solves a lot of potential problems. When you save a .PDF on your computer, you are creating a complete package with all the components you'll need. All the fonts, images, and other settings are stored in the file itself. So when you hand it off to your printer, they have all the information to ensure what they see on their screen matches what you see on yours. The exported .PDF is a complete Portable Document Format. The .PDF is decoded and ready to go!

Other File Options

Other formats have broader editing capabilities, such as Photoshop (.PSD, .TIF, .JPG, .PNG), Illustrator (.AI, .EPS) or InDesign (.Indd—exported as high res. .PDF).

Image Resolution

Resolution specifications apply only to raster image files. Follow the guide below. For producing nearly all banners the most common resolution is highlighted in yellow. Try to get as close as you can to this resolution at 100% file size.

Banner Size	PPI (dots per inch)
LESS THAN 5 FEET (SMALL TEXT HUNG UP CLOSE)	300-360
5-10 FEET	120-180
10-20 FEET	180-125
20-30 FEET	75-100
MORE THAN 30 FEET (E.G. BILLBOARDS - LARGE BANNERS)	30

CMYK & Pantone® PMS Colors

Make sure your print-ready file uses CMYK colors for the most accurate comparison between what you see on your screen and what is produced with the press. RGB images will be converted into CMYK.

We use a CMYK digital printing process, which means our printers print a wide range of hues using Cyan, Magenta, Yellow and Black inks. When you set up color for your file, we will reproduce the color you submitted as closely as possible. However, on-press color matching is not possible. We have "color master" plates to the color rendering intent specified in the submitted artwork. If the artwork contains colors specified as PMS (Pantone Matching System) spot colors, we will attempt to match the color as closely as possible, often using PMS colors, please use the **Color Coated PMS** color library. However, only a limited number of Pantone colors can be matched precisely in the CMYK digital printing process.

Bleeds and Margins

Vinyl Banner: Expand your graphics by 1/2 inch (.5") on all four sides. Please keep all logos, type, and critical information at least 1 inch from each edge of the graphic and 5 inches from top and bottom. No gradients are accepted for vinyl.

Fabric or Canvas Banner: Expand your graphics by 2 inches on all four sides. Please keep all logos, type, and critical information at least 2 inches in from each edge of the graphic and 5 inches on top and bottom.

Sending Files

Files are accepted by Email (up to 15 MB), FTP site (up to 500 MB).
